MESSAGE

I am honoured and humbled by the confidence reposed by the Hon'ble Prime Minister in appointing me the Chairman of Khadi & Village Industries Commission. Serving the country as Chairman of Khadi & Village industries Commission is a rare gift of life for any humble Indian. While looking forward to strengthening the livelihood of those who spin Khadi and build the nation, I solicit your sincere support and cooperation. You will share my belief that Khadi and Village Industries are the soul of the nation and the heart of India and any service to the nation demands from us honesty in attitude, cleanliness in our work place and efficiency in our work culture.

The importance the Prime Minister attaches to this Commission mirrors the role we can together play in the nation building. While brining to you the greetings of our Hon'ble Minister for MSME, I encourage you to recognise and take pride in the fact that we work on one of the most important national legacies and core competencies.

My best wishes to all
